

Distributor License

Version 1 .0 last updated January 24, 2018

1. Distributor License

- 1.1. General.** Under this Distributor License, subject to full compliance with the terms hereof and payment of all applicable fees, Handsoncode grants to Licensee a non-exclusive, non-transferrable, worldwide right to (a) install and use, perform, display or otherwise make available to End-Users, within the cloud computing model (SaaS and the like), or to (b) authorize End-Users to enjoy the rights hereby granted, within the on-site model (OEM and the like), Software as part of Licensee Product.
- 1.2. Specific.** The Parties will specify in a separate instrument ("Purchase Confirmation") the number of authorized copies of Software or End-Users, or other defined extent of permitted access to Software. An agreed upon Purchase Confirmation will form part of this Distributor License and may be appended hereto.

2. Miscellaneous

- 2.1. Reference.** This Distributor License integrates by reference either the General Software License Terms or Enterprise Software License Terms, as executed by you, Licensee, and us – Handsoncode. In particular, any reference to this Distributor License extends to the applicable General Software License Terms or Enterprise Software License Terms and Licensee affirms that the rights covered in this document are subject to proper execution and compliance with the obligations stated in either the General Software License Terms or Enterprise Software License Terms, as applicable.
- 2.2. Conflict.** In the event this Distributor License conflicts or otherwise fails to conform with the applicable General Software License Terms or Enterprise Software License Terms, the provisions of this Distributor License will prevail.
