

CONTRIBUTOR LICENSE AGREEMENT

This Contributor License Agreement ("Agreement"), effective as of the date You consented to this Agreement, is made by and between You and Handsoncode Sp. z o. o., a Polish limited liability company, with its registered office in Gdynia, Poland, at ul. Aleja Zwycięstwa 96/98, 81-451 Gdynia, registered with the District Court in Gdańsk under KRS number: 538651; tax ID number: 5862294002; share capital at: PLN 62,800.00 ("HOC").

1. Definitions.

"You" (or "Your") – means the copyright owner or legal entity authorized by the copyright owner, as presented in the introduction section of this Agreement, that is making this Agreement with HOC, and such person or entity will be known as the "Contributor". For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the entity's outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" – means any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to HOC for inclusion in, or documentation of, any of the products owned or managed by HOC (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to HOC or its representatives, including without limitation communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, HOC for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution" or with a similar legend.

2. Grant of Copyright License.

By virtue, and subject to the terms and conditions, of this Agreement, You grant to HOC and to recipients of the Work distributed by HOC a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License.

By virtue, and subject to the terms and conditions, of this Agreement, You grant to HOC and to recipients of the Work distributed by HOC a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this Section 3) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which You have contributed,

constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. Representations and Warranties.

You represent that You are legally entitled to grant the above license. If Your employer(s) has rights to intellectual property that You create that includes Your Contributions, You represent that You have received permission to make Contributions on behalf of that employer, that Your employer has waived such rights for Your Contributions to HOC, or that Your employer has executed a separate license agreement with HOC.

You represent that each of Your Contributions is Your original creation (see Section 6, for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which You are personally aware and which are associated with any part of Your Contributions.

5. Support.

You are not expected to provide support for Your Contributions, except to the extent You desire to provide support.

6. Submission on behalf of others.

If You wish to submit work that is not Your original creation, You may submit it to HOC separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which You are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]" or with a similar legend.

7. Covenant of loyalty

You agree to notify HOC of any facts or circumstances of which You become aware that would make these representations inaccurate in any respect.

The parties agree to the terms and conditions of this Agreement by their signatures below.
